## **REQUIREMENTS FOR ENTERING MEDICAL PROGRAM**

- Must have:**
- 1. Referral/Prescription from Physician**
  - 2. Client Pre-Appointment Questionnaire**
  - 3. Copy of Valid Driver's License or Learner's Permit**
  - 4. Seizure Free for six (6) months**
  - 5. Funding Source in place. For private pay clients, we do NOT file insurance and payment should be made at the time services are rendered.**

**REFERRAL/PRESCRIPTION** — This can include having the physician fill out and sign our referral form, a letter signed by the physician describing the client's disability and recommend a driver evaluation, or it can be written on a prescription pad with the client's name, disability, recommend driver evaluation, and physician's signature.

**CLIENT PRE-APPOINTMENT QUESTIONNAIRE** — All clients are required to fill out and return our Client Pre-Appointment Questionnaire so that we can determine which vehicle and how much time is needed to better evaluate and/or train the client.

**VALID LEARNER'S PERMIT OR DRIVER'S LICENSE** — All clients are required to have a valid driver's license or permit to participate in the behind the wheel portion of the evaluation. If the client is under 18 years of age and does not have a license, he/she will be required to take a classroom course to obtain a permit. ***If the client is 18-24 they are now required by Texas law to take a six-hour adult drivers education course provided by a TDLR-approved driving school.***

**FUNDING SOURCE** — Accepted funding sources can include private pay, Texas Workforce Commission (TWC), Workers Comp. and VA. TWC consumers must ensure that a purchase order is faxed/emailed to our office before the day of the service. Pre-payment of services are required for Workers Comp and VA clients.

***If the client is private pay, payment is required at time of service, we do NOT file insurance. We will be happy to provide you with a receipt that can be turned into your insurance company.***

**PRICES**— please call to check current prices or ask for quote

The length of the evaluation needed will be determined by the client's medical diagnosis and physical abilities. For out of town clients, training can be done around the client's home, if requested. A charge is required for mileage and food/lodging, if applicable, and determined by the State Comptroller's office.
